

Dear Guest,

In light of the recent outbreak of Coronavirus (COVID-19) across various parts of the world, we are taking all possible steps to ensure the safety of our guests, patrons, associates and employees throughout the pandemic!

- We are continuously training and educating our associates & employees on the best practices of personal hygiene, proper method and frequency of hand washing/sanitizing as well as what to do in case they have any symptoms related to COVID-19.
 - We have asked our associates to self-quarantine or reach out to a doctor immediately if they have any symptoms.
 - Associates are being sent various advisories on COVID-19 released by the Ministry of Health & Family Affairs to keep them updated on vthe situation.
 - We are especially emphasizing on best practices on safety and hygiene.
- We have also reached out to our partners & vendors and advised them on best practices to be followed. Our restaurants, banquet spaces and all the ancillary establishments in the hotel follow best-in-class hygiene.
- We'll continue to reiterate best practices around food handling & housekeeping with our associates and drive availability of hand sanitizers across the hotels.
- In case you want to avoid contact with our associates & staff, you can request the same at the time of booking, reservation or check-in. We will make sure that we deliver a flawless stay for you with minimum human interaction.
- We are confident that with the right practices, and adequate social distancing, we can help curb the spread of COVID-19. We cannot emphasize enough on washing your hands properly before you eat any kind of food!
